This trial is open to all dogs measuring 20 inches or less at the withers, over the age of 12 months. The trial is not open to aggressive dogs, dogs suffering from any deformity, injury, or illness which may affect a dog's physical or mental performance, or bitches in season. In the latter case and with a note from a veterinarian, a refund of all but \$5 of entry fees will be provided.

**Your dog must be registered with TDAA to participate in TDAA Trials.** Here is a link to the TDAA Dog Registration form: [TDAA Dog Registration Form](#). Please provide proof of submission to the trial secretary if you haven't received your number

**TDAA Rules** can be obtained online in the form of a PDF file at the [TDAA web site](#), and should be reviewed before competing at a TDAA trial.

**Height Divisions:** Per TDAA rules, dogs may be entered at any jump height desired (except at the Petit Prix: please see that premium for details); however, the scoring height continues to be the dog's measured jump height. Dogs jumping at a height other than their measured height will earn qualifying legs and all TDAA titles. The judge reserves the right to measure dogs entered in any trial. Any dog that has not previously competed at a TDAA trial must be measured before competing.

**Veteran Dogs:** A veteran dog is a dog of at least 7 years of age. Veteran dogs receive additional course time in standard runs and games that are timed. 4" (Measured Jump Height) veterans receive an additional 4 seconds, while 8", 12", and 16" veterans receive an additional 2 seconds.

**Double Digit Veteran Dogs:** A double-digit veteran dog is a dog of at least 10 years of age. Double-digit veteran dogs receive 2 seconds in addition to what a veteran dog receives for standard course time and for games that are timed.

**Disabled Handler Exemption:** Handlers who have been given disability status by their home state will be allowed an additional 4 seconds in standard course time for Standard courses and an additional 4 seconds in qualifying course time for Games classes. This is in addition to any additional time awarded through the Veteran Dog exemption. A copy of the handler's disabled parking permit must be sent with the entry or presented 30 minutes prior to the start of the trial. If a handler has a permanent disability that does not necessitate the issuance of such a tag, a request for an exemption can be placed with the TDAA.

### Standard Class

**Beginner Agility**—All dogs shall be eligible for participation in this class.

**Intermediate Agility** — Only dogs who have earned the Teacup Beginner Agile Dog (TBAD) title shall be eligible for participation in this class.

**Superior Agility** — Only dogs who have earned the Teacup Intermediate Agile Dog (TIAD) title shall be eligible for participation in this class.

### Games Class

**Games I**—All dogs shall be eligible for participation in this class.

**Games II** — Only dogs who have earned the Games I (TG1) title shall be eligible for participation in this class.

**Games III** — Only dogs who have earned the Games II (TG2) title shall be eligible for participation in this class.

### Trial Games

<b>Dare to Double</b>	... is a dog's-choice game. The objective is to score as many points as possible, repeating a doubling obstacle (in this case, the tire) on course as often as time allows. The dog risks losing half his points if the doubling obstacle is faulted! The dog must get to the finish obstacle before course time elapses or be penalized. Scored Points, then Time. ER2
<b>Weakest Link</b>	... is a dog's choice point accumulation game that requires a handler to "bank" points to keep them; or lose points that are not banked. In this game points earned must be worth as much as or more than the last points earned; and are safe only when banked. Often there will be a distance challenge accorded an extraordinary bonus value. Weakest Link is scored Points, Then Time. ER2
<b>Dealer's Choice</b>	... is a course to be completed by the numbers. However, the course contains <i>options</i> ; the same number may appear on more than one obstacle. It is the handler's choice or the dog's-choice as to which path to take. Different levels may be required to take more than one of the same obstacle number. Scored Time, plus Faults. ER5
<b>Cha Cha</b>	... is a game that requires the dog to earn points to the beat of the Cha-cha: two slow beats (non-jump obstacles) followed by three quick beats (jumps). This is a game of strategy and precision. Scored Points, then Time. ER2
<b>Three Tunnel Barrel Game</b>	The dog must complete a numbered course through twists and turns similar to a rodeo barrel race. Scored Faults, Then Time. ER9 <b>∞∞ TDAA GAME OF THE MONTH</b>

Judges reserve the right to adapt any game played. Day of show rules supersede all others.

The judge's briefing, given prior to the start of judging, supersedes these descriptions and the written briefings of how to play any game. **More information about games** is available in the Book of Agility Games, 5<sup>th</sup> Edition, available at <https://k9tdaa.com>.

### ∞∞ TDAA GAME OF THE MONTH

Please read the last page of the premium which describes the TDAA Game of Month! It is a fun way to participate by videoing your run and submitting it along with everyone in the country to be part of a raffle. Read all about it and participate!

**Obstacle Familiarization:** Obstacle familiarization on TDAA equipment will be offered 30 minutes before the first class each day. One dog in the ring at a time.

FEO dogs will run last in their jump heights. They may run on lead. FEO runs do not count toward TDAA titles. FEO teams will have a maximum time of 1.5 times the SCT. FEO dogs cannot repeat any obstacles, no training in the ring.

## TDAAGility Games 2026

In 2026, the TDAAG is showcasing a different game each month for groups or clubs to play. Some are new and some might be new versions of old favorites!

To enter the drawing the handler needs to turn in a video of the Teacup Game of the Month run to TDAAG. Upon receipt of trial scores and the videos by TDAAG, dog/competitor team will receive a point. Submit videos and send any questions to [teacupagility@gmail.com](mailto:teacupagility@gmail.com). Each point is worth a raffle ticket that TDAAG will place in a drawing. At the end of the year, TDAAG will draw four competitor/team winners. These four teams will have one regular trial entry fee to a TDAAG trial (of their choosing) paid for by TDAAG in 2027. Contact TDAAG at [teacupagility@gmail.com](mailto:teacupagility@gmail.com) if you have any questions.
